APPENDIX C

K-9 AGREEMENT

AGREEMENT

In consideration for the promises set forth herein, the parties agree as follows:

1) This Agreement among the Borough of Fort Lee, ("Borough"), PBA Local 245, ("PBA"), and Police Officers Michael Papachristou (Badge #167) and Terence McCabe (Badge #209) encompasses the complete and binding Agreement of the parties signatory hereto, with regard to all issues and entitlements, past, present and future, concerning wages and other terms and conditions of employment of Borough police officers assigned as K-9 dog handlers (the "Agreement"). This Agreement shall also be applicable into the future and govern the wages and terms and conditions of employment of new and existing Borough police officers assigned as K-9 dog handlers, ("K-9 Officers").

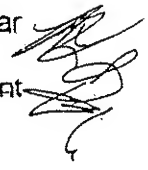

2) The K-9 Officers Michael Papachristou and Terence McCabe, hereby represent that, after consultation with attorney(s) of their own choice, that they do not have any past or unpaid current claim for compensation against the Borough in connection with or related to the duties as Borough K-9 Officer(s) and further that they waive and release any such claim(s) against the Borough, whether known or unknown.

3) While on-duty, K-9 Officers will be paid the same wages and be governed by the same rules and terms and conditions of employment as other police officers employed by the Borough, except to the extent same are modified by the terms of this Agreement.

4) a) Effective upon execution of the Agreement, the Borough will pay canine officers at an hourly rate of pay of \$8.00 for all time which is spent outside of the scheduled tour of duty providing home training, care and maintenance for and to the dog assigned to that officer by the Borough (the "K-9 Hourly Rate"). All parties further agree that compensation for off-duty time to provide for the training, care and maintenance of the assigned dog shall be limited to one hour per day, seven days per week, unless the Chief

of Police or his designee shall give prior written approval to the K-9 Officer for some greater period of time. Such approval shall be given only on a day-to-day basis. Hereafter, any modification to the established off-duty hourly rate of pay for K-9 Officers shall be subject to collective negotiations between the Borough and the PBA, commencing January 1, 1999.

b) The compensation set forth above shall be a stipend and the Borough shall issue each K-9 Officer an annual IRS Form 1099.

c) The above-stated stipend shall be payable in accordance with the Borough's now or future periodic pay check schedule, by a Borough check. Alternatively, at each K-9 Officer's sole election, indicated annually to the Police Chief in a signed and dated writing, delivered each succeeding January, the said stipend compensation may be paid as "compensatory time." The amount of compensatory time attributable to the said stipend compensation shall be ^{FOR THE LIFE OF THE INSTANT AGREEMENT, EQUAL TO} ~~determined by dividing the K-9 Hourly Rate, by the regular~~ ^{1/4 HOUR OF COMP. TIME, IN LIEU OF THE PAYMENT OF THE K-9 Hourly Rate,} ~~police officer's rate of pay (e.g., \$8 ÷ \$32 = 1/4 hour of compensatory time in lieu of payment~~ ^{of K-9 Hourly Rate).} 

5) The Borough shall immediately establish appropriate time sheets for K-9 Officers to complete, certify as true and correct and submit to the Chief of Police or his designee, on a bi-weekly basis, to explain and record all time spent outside the K-9 Officer's scheduled tour of duty, involving the training, care and maintenance of the dog assigned to the K-9 Officer. The unexcused failure of a K-9 Officer to timely submit complete time sheets shall be deemed neglect of duty and no payment will be made for a given period until and unless such time sheets are submitted.

6) The work schedule of K-9 Officers shall generally be governed by Article VII, Hours of Work, in the contract between the Borough and the PBA, except that K-9 Officers shall, at the Chief of Police's sole option, be separately scheduled; shift assignments shall

not be bid by seniority; and the Chief of Police or his designee, at his sole discretion, may modify shift assignments, with 48 hours notice to the K-9 Officer(s), without incurring any premium or overtime pay or compensation obligation to the K-9 Officer. K-9 Officers shall not be used to replace or diminish regular overtime opportunities, i.e., overtime opportunities which the Chief or his designee determine do not require K-9 dogs and officers.

7) K-9 Officers who are called back to duty in an unscheduled work period shall be compensated with a minimum of 4 hours of overtime pay, to be taken as pay or time-due. In the event that any one or more call-backs in any 24-hour period require the K-9 Officer to work more than 4 hours, he or she shall be paid in accordance with the collective bargaining agreement then in effect. Travel time from a call-back is not compensable time. K-9 Officers held over from normally scheduled tours of duty shall be paid on an hourly or portion thereof basis, in accordance with existing practices.

8) a) The Borough shall be responsible for all job related expenses, reasonably incurred, regarding the maintenance, care and training of canines, subject to prior approval from the Chief of Police. Such expenses include, but not limited to, the provision of training aids, narcotics towels, medical care, liability insurance (on and off duty), grooming costs, certification fees, costs of food, etc. The Borough shall provide purchase orders to the extent possible to cover such expenses. If it is impossible to provide a purchase order for a particular expense, a voucher system shall be used instead.

b) The Borough may, as its sole option, designate vendors which shall be the sole and exclusive suppliers of designated goods, services and equipment for the K-9 Officers and/or their assigned dogs. Notwithstanding the foregoing, in the event of a serious injury to a K-9, the K-9 Officer may bring the dog for emergency treatment to the care facility which is closest to the scene and is equipped to best treat the K-9. However, if the Borough

designates an available care facility, that choice shall not be disregarded without good and sufficient cause.

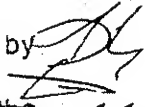

c) K-9 Officers shall receive the same uniform allowance as provided to other police officers.

d) Neither the Borough or its insurer shall be responsible for any damage caused by the assigned dog to the personal or real property (or other property interest) of the K-9 Officer or that of members of or invitees to his/her household.

e) It shall be the duty and the responsibility of each K-9 Officer to take reasonable and prudent steps, both on and off duty, to prevent injury to the assigned dog and injuries or damages which may be caused by the assigned dog, to the property or person of others.

9) If or when the K-9 Program is disbanded or an assigned dog is retired from duty, each K-9 Officer to whom said dog was assigned shall be permitted to purchase his/her retired dog in accordance with N.J.S.A. 40A:11-36 for a price not to exceed \$250. Fair market value is stipulated to be \$2,400 for a new K-9 dog. Retired K-9 dogs shall only be used as house pets of the Officer purchasing the dog. No other use, employment or transfer of the retired dog shall be made. Any such offer of purchase must include the written, dated and executed agreement of the proposed purchaser and proof of best efforts to obtain affordable liability insurance, on terms and in an amount sufficient to enable the Officer to indemnify, defend and hold harmless the Borough, its employees, representatives, etc., from any and all claims and damages alleged to have been caused by the previously assigned dog or its owner, in connection with the dog to the person or property of the bidder/proposer or others.

10) The parties agree that the above paragraphs of this Agreement, except for Paragraph(s) #11 and #12, shall be incorporated as an Addendum to the existing collective negotiations agreement and specifically included as a separate provision in the successor collective negotiations agreement between the parties. Each party represents that the expenditures/costs savings related to or resulting from this Agreement shall not be introduced as evidence in support of either party's position in collective negotiations and/or interest arbitration regarding a successor agreement. However, the K-9 Hourly Rate may be a subject of bargaining/interest arbitration in any current or future proceedings.

11) Despite the representations contained in Paragraph #2 hereof, the Borough agrees to pay K-9 Officers Michael Papachristou and Terence McCabe the sum of One Hundred Dollars (\$100) and K-9 Officers Michael Papachristou and Terence McCabe agrees to accept said payment, as full and complete compensation for any pay, other compensation or damages which the Borough may owe to him/her/them under the U.S. Fair Labor Standards Act and any other law, within thirty (30) days from the execution hereof by  all parties in full and complete release, settlement and compromise by the ~~PBA~~ and the  named police officer(s) of any such claims.

12) The K-9 Officers Michael Papachristou and Terence McCabe, their dependents, successors, heirs, executors, administrators and assigns, and each of the, hereby fully and forever releases and discharges the Borough as well as its agents, officers, directors, employees, successors, assigns, insurers and attorneys, and each of them, of and from any and all claims, rights, actions, causes of action, obligations, debts, interest, damages, charges, losses, debts, demands of any nature, whether arising in law or in equity, relating to the compensation and expenses which the Borough may owe to them with respect to the training, care and maintenance of his/her/their assigned dogs.

13) It is the intention of the parties hereto that this Agreement shall be effective as a full and final accord and satisfaction and release of each and every released matter, including all unknown and/or unsuspected claims. In connection with this waiver, each party hereto acknowledges that facts in addition to or different from those presently known may later be discovered which relate to the subject matter of this Agreement. The parties also recognize the possibility that, in the future, damages that are not currently known may be suffered in relation to matters released in this Agreement. Notwithstanding these possibilities, it is each party's intention to fully, finally and forever settle all released matters, disputes and differences.

14) Each party agrees to bear its/his/her own costs expenses and attorneys' fees incurred in connection with this Agreement.

15) Each party hereto expressly warrants and represents that it/he/she is fully authorized to enter into this Agreement each of its terms, and that it/he/she has not assigned to any other party or person any claims released herein.

16) The K-9 Officers Michael Papachristou and Terence McCabe and the PBA warrant that they have not filed any other lawsuits, charges, complaints, petitions, or other accusatory pleading against the Borough with any governmental agency or in any court, based upon, arising out of or related in any way to any events occurring prior to the execution of this Agreement.

17) This Agreement contains the entire Agreement between the parties hereto with respect to all matters addressed herein, and fully supersedes any and all prior or contemporaneous agreements, understandings or representations, oral or written, implied or express, pertaining to the subject matter hereof. This Agreement may only be subsequently modified by a writing signed and dated by all parties hereto.

18) Each party agrees to do all things necessary to carry out and effectuate the terms of this Agreement, and expressly promises not to do or fail to do anything, directly or indirectly, which will interfere with any other party's realization of the benefits hereof.

19) This Agreement, including the releases herein, shall be binding upon and inure to the benefit of each of the parties to this Agreement and to each of their successors in interest, including heirs and assigns.

20) Each of the parties hereto has been represented by counsel in the negotiating and drafting of this Agreement. Accordingly, the rules and construction of contracts relating to resolution of ambiguities against the drafting parties shall be inapplicable to this Agreement.

21) Any dispute concerning an interpretation, application or violation of this Agreement shall be governed by the grievance and arbitration provisions of the parties' collective negotiations agreement.

22) If for any reason any provision contained in this Agreement is later deemed unenforceable, the remainder of this Agreement shall nonetheless remain binding and enforceable on all parties hereto.

23) This Agreement may be executed in multiple originals or counterparts, each of which shall be deemed an original or the equivalent thereof.

WHEREFORE, each party hereto, by the signatures below, certifies that this Agreement has been read in its entirety, that any questions regarding the meaning or effect of any terms have been answered to their satisfaction, that each party enters into this Agreement with the intent to be fully and forever bound by all of its terms, as of the date set forth opposite their signature below.
